

***105th Annual Reunion of
The Descendants of Abel & Catherine Frantz Reese
Saturday, August 12, 2023
The Community Park, Port Matilda, PA***

Come eat with us and bring a dish to share. Table service will be provided.

Preparations are now being made for the 105th Reese Reunion that will start with the invocation at 12:30 and continue until dark.

We are having an antique tractor, truck or car display. If you own a vehicle that you could bring, we would love to have it for the afternoon. Please contact Jeff Reese (814-280-5402) and he will make sure he has a place for your vehicle. In case of rain, we will advise you if the park is too wet.

A welcome table will be set up for contact changes, information and updates. There will also be a table set up to display family photos and memorabilia, so please bring something to share.
